

STOLLAQUID EC 1150/ 1150F

Product Code : 6926418126511 / 6926418134196

- **Medium Performance Polyurethane based CED clear lacquer.**
- **% Solid = 60 ± 2**
- **Stollaquid EC 1150 can be used in Spectacle frames, etc to get the desired performance.**
- **Stollaquid EC 1150 F is the best product for Low cost Hardware Industry and Handicraft Art Ware.**

- **Good Hardness and Chemical Resistance**
 - ⇒ Pencil hardness 3H 4 H
 - ⇒ Passes minimum 1100+ acetone double rubs
 - ⇒ 250 hours salt spray (ASTMB 117) resistance
 - ⇒ Passes 2 perspiration cycle test performance even on brass
- **Excellent Outdoor Durability**
 - ⇒ Passes 1000 hours of weather -o- meter sunshine test
 - ⇒ Passes 1000 hours of Xenon test -150
- **Very High Bath Stability**
 - ⇒ Extremely stable under controlled conditions
 - ⇒ Very stable even at higher temperature
- **Easy Plant Operations and Maintenance**
 - ⇒ Easy bath preparation methods.
 - ⇒ Simple plant operations
 - ⇒ Minimum filter chocking frequency
 - ⇒ Minimum ultra filtrate cleaning frequency
- **Lower Additives Requirement**
 - ⇒ Additives like rinse aid not required
 - ⇒ Lesser solvent additives required
