

# STOLLAQUID EC 3850(M)

Product Code : 6926418126658

- **High Performance Polyurethane based CED clear lacquer**
- **% Solid = 60 ± 2**

**High Build, High Performance Glossy CED Clear Lacquer.**

- **Superior Hardness and Chemical Resistance**

- ⇒ Pencil hardness 4H - 6H
- ⇒ Passes minimum 3500+ acetone double rubs
- ⇒ 500 hours salt spray (ASTMB 117) resistance
- ⇒ Excellent perspiration cycle test performance even on brass

- **Excellent Outdoor Durability**

- ⇒ Passes 1000 hours of weather -o- meter sunshine test
- ⇒ Passes 1000 hours of Xenon test -150

- **Very High Bath Stability**

- ⇒ Extremely stable under controlled conditions
- ⇒ Very stable even at higher temperature

- **Easy Plant Operations and Maintenance**

- ⇒ Easy bath preparation methods.
- ⇒ Simple plant operations
- ⇒ Minimum filter chocking frequency
- ⇒ Minimum ultra filtrate cleaning frequency

- **Lower Additives Requirement**

- ⇒ Additives like rinse aid not required
- ⇒ Lesser solvent additives required

- **Wide range of applications Used in the industries like**

- ⇒ High quality Jewellery
- ⇒ Hardware & FAN Industries.
