

# STOLLAQUID EC 5500

Product Code : 6926418126290

- **High Performance Polyurethane based CED clear lacquer**
- **% Solid = 60 ± 2**
  
- **High Performance Glossy CED Clear Lacquer suitable for Guaranteed Imitation Jewellery.**
- **Superior Hardness and Chemical Resistance**
  - ⇒ Pencil hardness 6H - 7H
  - ⇒ Passes minimum 4000+ acetone double rubs
  - ⇒ 500 hours salt spray (ASTMB 117) resistance
  - ⇒ Excellent perspiration cycle test performance even on brass
- **Excellent Outdoor Durability**
  - ⇒ Passes 1000 hours of weather-o-meter sunshine test
  - ⇒ Passes 1000 hours of Xenon test -150
- **Very High Bath Stability**
  - ⇒ Extremely stable under controlled conditions
  - ⇒ Very stable even at higher temperature
- **Easy Plant Operations and Maintenance**
  - ⇒ Easy bath preparation methods.
  - ⇒ Simple plant operations
  - ⇒ Minimum filter chocking frequency
  - ⇒ Minimum ultra filtrate cleaning frequency
- **Lower Additives Requirement**
  - ⇒ Additives like rinse aid not required
  - ⇒ Lesser solvent additives required
- **Wide range of applications Used in the industries like**
  - ⇒ High quality Gold plated Jewellery
  - ⇒ Jewellery using Flash Gold, Dyes and Micron Gold.
